

LMH6732MFX

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LMH6732MFX                                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC OPAMP CFA 540MHZ SOT23-6                                                                                          |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

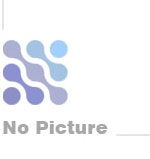

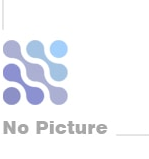

Specifications of LMH6732MFX

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| PART NUMBER                       | LMH6732MFX                                    |
| MANUFACTURER                      | N/A                                           |
| DESCRIPTION                       | IC OPAMP CFA 540MHZ SOT23-6                   |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant            |
| DATA SHEET                        |                                               |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 9 V ~ 12 V, ±4.5 V ~ 6 V                      |
| VOLTAGE - INPUT OFFSET            | 3mV                                           |
| SUPPLIER DEVICE PACKAGE           | SOT-23-6                                      |
| SLEW RATE                         | 2700 V/μs                                     |
| SERIES                            | -                                             |
| PACKAGING                         | Tape & Reel (TR)                              |
| PACKAGE / CASE                    | SOT-23-6                                      |
| OUTPUT TYPE                       | -                                             |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                  |
| NUMBER OF CIRCUITS                | 1                                             |
| MOUNTING TYPE                     | Surface Mount                                 |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                 |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant            |
| DETAILED DESCRIPTION              | Current Feedback Amplifier 1 Circuit SOT-23-6 |
| CURRENT - SUPPLY                  | 9mA                                           |
| CURRENT - OUTPUT / CHANNEL        | 115mA                                         |
| CURRENT - INPUT BIAS              | 2μA                                           |
| BASE PART NUMBER                  | LMH6732                                       |
| AMPLIFIER TYPE                    | Current Feedback                              |
| -3DB BANDWIDTH                    | 540MHz                                        |
