MFRC52302HN1,157

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MFRC52302HN1,157                                                                                             |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC READER 32-HVQFN                                                                                           |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | IC READER 32-HVQFN                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                  |
| DATA SHEET                       |                                                                                             |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 3.3 V                                                                               |
| TYPE                             | RFID Reader                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 32-HVQFN (5x5)                                                                              |
| STANDARDS                        | ISO 14443, MIFARE                                                                           |
| SERIES                           | MIFARE®                                                                                     |
| PACKAGING                        | Tray                                                                                        |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                                        |
| OTHER NAMES                      | 935293911157                                                                                |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                  |
| INTERFACE                        | I²C, SPI, UART                                                                              |
| FREQUENCY                        | 13.56MHz                                                                                    |
| DETAILED DESCRIPTION             | RFID Reader IC 13.56MHz ISO 14443, MIFARE I²C, SPI, UART 2.5 V ~ 3.3 V 32-VFQFN Exposed Pad |
