| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 5TSSOP                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">XC7SH125GW,125.pdf</a> |
| VOLTAGE - SUPPLY                 | 2 V ~ 5.5 V                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 5-TSSOP                                                                                                                |
| SERIES                           | 7SH                                                                                                                    |
| PACKAGING                        | Cut Tape (CT)                                                                                                          |
| PACKAGE / CASE                   | 5-TSSOP, SC-70-5, SOT-353                                                                                              |
| OUTPUT TYPE                      | 3-State                                                                                                                |
| OTHER NAMES                      | 1727-7095-1<br>568-9423-1<br>568-9423-1-ND                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                                     |
| NUMBER OF ELEMENTS               | 1                                                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                                                                                               |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INPUT TYPE                       | -                                                                                                                      |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 1 Element 1 Bit per Element 3-State Output 5-TSSOP                                               |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                                                               |
| BASE PART NUMBER                 | 7SH125                                                                                                                 |
