PCI2050BPPM

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PCI2050BPPM                                                                                                  |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC PCI-PCI BRIDGE 32-BIT 208-QFP                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

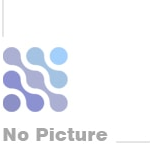

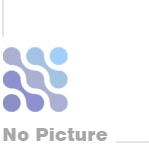

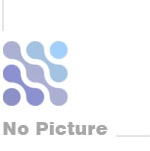

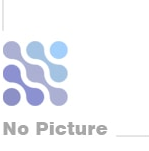

Specifications of PCI2050BPPM

|                                  |                                             |
|----------------------------------|---------------------------------------------|
| PART NUMBER                      | PCI2050BPPM                                 |
| MANUFACTURER                     | N/A                                         |
| DESCRIPTION                      | IC PCI-PCI BRIDGE 32-BIT 208-QFP            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| DATA SHEET                       |                                             |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                 |
| SUPPLIER DEVICE PACKAGE          | 208-QFP (28x28)                             |
| SERIES                           | -                                           |
| PACKAGING                        | Tray                                        |
| PACKAGE / CASE                   | 208-BFQFP                                   |
| OTHER NAMES                      | 296-15344                                   |
| MOUNTING TYPE                    | Surface Mount                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| INTERFACE                        | PCI                                         |
| DETAILED DESCRIPTION             | PCI-to-PCI Bridge Interface 208-QFP (28x28) |
| BASE PART NUMBER                 | PCI2050B                                    |
| APPLICATIONS                     | PCI-to-PCI Bridge                           |
