| OPERATING TEMPERATURE           | -40°C ~ 70°C                                                          |
| MOUNTING TYPE                   | DIN Rail                                                              |
| MANUFACTURER STANDARD LEAD TIME | 4 Weeks                                                               |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                            |
| FEATURES                        | -                                                                     |
| DETAILED DESCRIPTION            | General Purpose with Socket Relay SPDT (1 Form C) 12VDC Coil DIN Rail |
| CONTACT RATING (CURRENT)        | 6A                                                                    |
| CONTACT MATERIAL                | Silver Nickel (AgNi), Gold (Au)                                       |
| CONTACT FORM                    | SPDT (1 Form C)                                                       |
| COIL VOLTAGE                    | 12VDC                                                                 |
| COIL TYPE                       | Non Latching                                                          |
| COIL POWER                      | 200 mW                                                                |
| COIL CURRENT                    | 14.6mA                                                                |
