Specifications of MAX6603ATB+T

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | MAX6603ATB+T                                                             |
| MANUFACTURER                     | Maxim Integrated                                                         |
| DESCRIPTION                      | IC COND RTD-VOLT 10-TDFN                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       | <a href="#">1.MAX6603ATB+T.pdf</a><br><a href="#">2.MAX6603ATB+T.pdf</a> |
| TYPE                             | Signal Conditioner                                                       |
| SUPPLIER DEVICE PACKAGE          | 10-TDFN (3x3)                                                            |
| SERIES                           | -                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 10-WFDFN Exposed Pad                                                     |
| OUTPUT TYPE                      | Logic                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                            |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERFACE                        | -                                                                        |
| INPUT TYPE                       | Voltage                                                                  |
| CURRENT - SUPPLY                 | 5.5mA                                                                    |
| BASE PART NUMBER                 | MAX6603                                                                  |
