

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

Part Number:AR0144CSSM20SUKA0-CPBR

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:1MP 1/4 CIS SO

Datasheets: AR0144CSSM20SUKA0-CPBR.pdf

RoHs Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of AR0144CSSM20SUKA0-CPBR

|                                  |                                                                                                                |
|----------------------------------|----------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AR0144CSSM20SUKA0-CPBR                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                           |
| DESCRIPTION                      | 1MP 1/4 CIS SO                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| DATA SHEET                       |  AR0144CSSM20SUKA0-CPBR.pdf |
| VOLTAGE - SUPPLY                 | -                                                                                                              |
| TYPE                             | CMOS                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 69-ODCSP (5.55x5.57)                                                                                           |
| SERIES                           | -                                                                                                              |
| PIXEL SIZE                       | 3µm x 3µm                                                                                                      |
| PACKAGE / CASE                   | 69-WFBGA, CSPBGA                                                                                               |
| OPERATING TEMPERATURE            | -                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 24 Weeks                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| FRAMES PER SECOND                | 60                                                                                                             |
| DETAILED DESCRIPTION             | CMOS Image Sensor 1280H x 800V 3µm x 3µm 69-ODCSP (5.55x5.57)                                                  |
| ACTIVE PIXEL ARRAY               | 1280H x 800V                                                                                                   |
