| MANUFACTURER                     | Maxim Integrated                                        |
| DESCRIPTION                      | IC MICRODAA VOICE 32QFN                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| DATA SHEET                       |                                                         |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                             |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (8x8)                                            |
| SERIES                           | -                                                       |
| PACKAGING                        | Tray                                                    |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                    |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                              |
| NUMBER OF CIRCUITS               | 1                                                       |
| MOUNTING TYPE                    | Surface Mount                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| INTERFACE                        | Serial                                                  |
| INCLUDES                         | -                                                       |
| FUNCTION                         | Direct Access Arrangement (DAA)                         |
| DETAILED DESCRIPTION             | Telecom IC Direct Access Arrangement (DAA) 32-QFN (8x8) |
| CURRENT - SUPPLY                 | -                                                       |
| BASE PART NUMBER                 | 73M1902                                                 |
