Specifications of SN74AUC17RGYRG4

|                                  |                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------|
| PART NUMBER                      | SN74AUC17RGYRG4                                                                      |
| MANUFACTURER                     | N/A                                                                                  |
| DESCRIPTION                      | IC BUF NON-INVERT 2.7 V 14VQFN                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| DATA SHEET                       |                                                                                      |
| VOLTAGE - SUPPLY                 | 0.8 V ~ 2.7 V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 14-VQFN (3.5x3.5)                                                                    |
| SERIES                           | 74AUC                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                     |
| PACKAGE / CASE                   | 14-VFQFN Exposed Pad                                                                 |
| OUTPUT TYPE                      | Push-Pull                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                    |
| NUMBER OF ELEMENTS               | 6                                                                                    |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                           |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                              |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| INPUT TYPE                       | Schmitt Trigger                                                                      |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 6 Element 1 Bit per Element Push-Pull Output 14-VQFN (3.5x3.5) |
| CURRENT - OUTPUT HIGH, LOW       | 9mA, 9mA                                                                             |
| BASE PART NUMBER                 | 74AUC17                                                                              |
