

DC-ME-01T-C

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | DC-ME-01T-C                   |
| Manufacturer/Brand: | Digi International            |
| Product description | ME 8MB SDRAM 2MB FLASH SINGLE |
| Datasheets:         | DC-ME-01T-C.pdf               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of DC-ME-01T-C

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | DC-ME-01T-C                                                     |
| MANUFACTURER                     | Digi International                                              |
| DESCRIPTION                      | ME 8MB SDRAM 2MB FLASH SINGLE                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       | DC-ME-01T-C.pdf                                                 |
| SPEED                            | 55MHz                                                           |
| SIZE / DIMENSION                 | 1.45" x 0.75" (36.7mm x 19.1mm)                                 |
| SERIES                           | Digi Connect ME®                                                |
| RAM SIZE                         | 8MB                                                             |
| OTHER NAMES                      | 602-1054<br>DCME01TC                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MODULE/BOARD TYPE                | MPU Core                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| FLASH SIZE                       | 2MB                                                             |
| DETAILED DESCRIPTION             | Digi Connect ME® Embedded Module ARM7TDMI, NS7520 55MHz 8MB 2MB |
| CORE PROCESSOR                   | ARM7TDMI, NS7520                                                |
| CONNECTOR TYPE                   | RJ45                                                            |
| CO-PROCESSOR                     | -                                                               |
