

SII Semiconductor Corporation

**SII Semiconductor Corporation**

**S-8254AARFT-TB-U**

Part Number:

S-8254AARFT-TB-U

Manufacturer/Brand:

SII Semiconductor Corporation

Product description:

IC BATT PROTECTION

Datasheets:

 S-8254AARFT-TB-U.pdf

RoHs Status:

 Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of S-8254AARFT-TB-U

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-8254AARFT-TB-U                                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                                            |
| DESCRIPTION                      | IC BATT PROTECTION                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">S-8254AARFT-TB-U.pdf</a> |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                                                 |
| SERIES                           | -                                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                        |
| NUMBER OF CELLS                  | 3 ~ 4                                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERFACE                        | -                                                                                                                        |
| FUNCTION                         | Battery Protection                                                                                                       |
| FAULT PROTECTION                 | Over Current                                                                                                             |
| DETAILED DESCRIPTION             | Battery Battery Protection IC Lithium Ion/Polymer 16-TSSOP                                                               |
| BATTERY CHEMISTRY                | Lithium Ion/Polymer                                                                                                      |
