| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                         |
| TOLERANCE                        | ±20%                                                                  |
| TEMPERATURE COEFFICIENT (TYP)    | ±50 ppm/°C                                                            |
| TAPER                            | Linear                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                |
| SERIES                           | XDCP™                                                                 |
| RESISTANCE - WIPER (OHMS) (TYP)  | 70                                                                    |
| RESISTANCE (OHMS)                | 10k                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                      |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                         |
| NUMBER OF TAPS                   | 128                                                                   |
| NUMBER OF CIRCUITS               | 1                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| MEMORY TYPE                      | Non-Volatile                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INTERFACE                        | I²C                                                                   |
