CDCLVC1102PW

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | CDCLVC1102PW                                     |
| Manufacturer/Brand: | N/A                                              |
| Product description | IC CLK BUFFER 1:2 250MHZ 8TSSOP                  |
| Datasheets:         |                                                  |
| RoHs Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

Specifications of CDCLVC1102PW

|                                  |                                                                                 |
|----------------------------------|---------------------------------------------------------------------------------|
| PART NUMBER                      | CDCLVC1102PW                                                                    |
| MANUFACTURER                     | N/A                                                                             |
| DESCRIPTION                      | IC CLK BUFFER 1:2 250MHZ 8TSSOP                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| DATA SHEET                       |                                                                                 |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 3.6 V                                                                   |
| TYPE                             | Fanout Buffer (Distribution)                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                         |
| SERIES                           | -                                                                               |
| RATIO - INPUT:OUTPUT             | 1:2                                                                             |
| PACKAGING                        | Tube                                                                            |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                  |
| OUTPUT                           | LVC MOS                                                                         |
| OTHER NAMES                      | 296-33168-5<br>CDCLVC1102PW-ND                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                    |
| NUMBER OF CIRCUITS               | 1                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| INPUT                            | LVC MOS                                                                         |
| FREQUENCY - MAX                  | 250MHz                                                                          |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                           |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution) IC 1:2 250MHz 8-TSSOP (0.173", 4.40mm Width) |
| BASE PART NUMBER                 | CDCLVC1102                                                                      |
