

PGA308TDD2

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | PGA308TDD2                                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC PROG SENSOR SGNL COND DIE                                                                                         |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

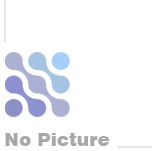

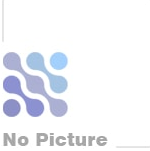

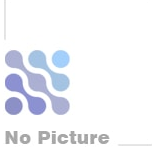

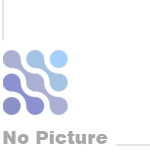

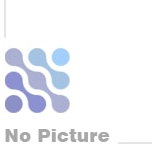

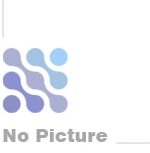

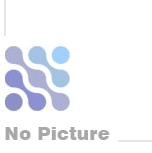

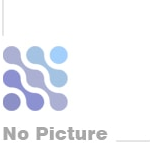

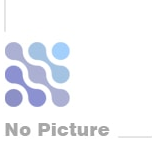

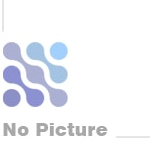

Specifications of PGA308TDD2

|                                  |                                    |
|----------------------------------|------------------------------------|
| PART NUMBER                      | PGA308TDD2                         |
| MANUFACTURER                     | N/A                                |
| DESCRIPTION                      | IC PROG SENSOR SGNL COND DIE       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant |
| DATA SHEET                       |                                    |
| TYPE                             | Signal Conditioner                 |
| SUPPLIER DEVICE PACKAGE          | Die                                |
| SERIES                           | -                                  |
| PACKAGING                        | Tray                               |
| PACKAGE / CASE                   | Die                                |
| OUTPUT TYPE                      | Voltage                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                         |
| MOUNTING TYPE                    | Surface Mount                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant |
| INTERFACE                        | UART                               |
| INPUT TYPE                       | Voltage                            |
| CURRENT - SUPPLY                 | 1.6mA                              |
| BASE PART NUMBER                 | PGA308                             |
