| MANUFACTURER                     | Cypress Semiconductor                                                                                                     |
| DESCRIPTION                      | IC TXRX HOTLINK II QUAD 256LBGA                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| DATA SHEET                       |  <a href="#">CYV15G0401DXB-BGI.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 256-BGA (27x27)                                                                                                           |
| SERIES                           | HOTlink II™                                                                                                               |
| PACKAGING                        | Tray                                                                                                                      |
| PACKAGE / CASE                   | 256-LBGA Exposed Pad                                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                              |
| NUMBER OF CIRCUITS               | 4                                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 5 (48 Hours)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| INTERFACE                        | LVTTL                                                                                                                     |
| INCLUDES                         | -                                                                                                                         |
| FUNCTION                         | Transceiver                                                                                                               |
| DETAILED DESCRIPTION             | Telecom IC Transceiver 256-BGA (27x27)                                                                                    |
| CURRENT - SUPPLY                 | 830mA                                                                                                                     |
| BASE PART NUMBER                 | CY*15G04                                                                                                                  |
