

AGL125V5-CS196I

|                     |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | AGL125V5-CS196I                                                                                                       |
| Manufacturer/Brand: | Microsemi                                                                                                             |
| Product description | IC FPGA 133 I/O 196CSP                                                                                                |
| Datasheets:         |  <a href="#">AGL125V5-CS196I.pdf</a> |
| RoHs Status         |  Contains lead / RoHS non-compliant  |
| Ship From           | Hong Kong                                                                                                             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                 |

REQUEST FOR QUOTATION

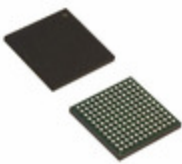

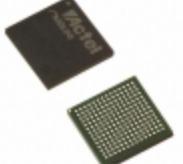

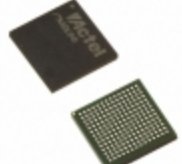

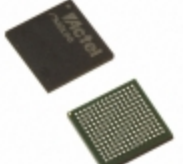

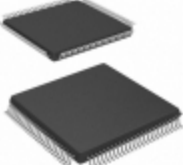

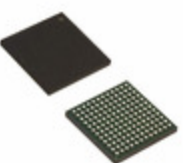

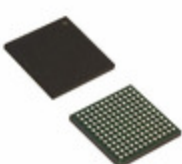

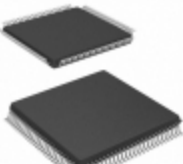

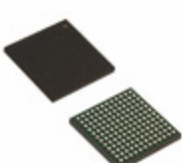

Specifications of AGL125V5-CS196I

|                                  |                                                                                                                         |

| DESCRIPTION                      | IC FPGA 133 I/O 196CSP                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                      |
| DATA SHEET                       |  <a href="#">AGL125V5-CS196I.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.425 V ~ 1.575 V                                                                                                       |
| TOTAL RAM BITS                   | 36864                                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 196-CSP (8x8)                                                                                                           |
| SERIES                           | IGLOO                                                                                                                   |
| PACKAGE / CASE                   | 196-TFBGA, CSBGA                                                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| NUMBER OF LOGIC ELEMENTS/CELLS   | 3072                                                                                                                    |
| NUMBER OF I/O                    | 133                                                                                                                     |
| NUMBER OF GATES                  | 125000                                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                      |
