| DATA SHEET                     |                                                                       |
| TURN ON VOLTAGE (MAX)          | -                                                                     |
| TURN OFF VOLTAGE (MIN)         | -                                                                     |
| TERMINATION STYLE              | Screw Terminal                                                        |
| SWITCHING VOLTAGE              | 240VAC - Max                                                          |
| SERIES                         | -                                                                     |
| RELEASE TIME                   | 20ms                                                                  |
| RELAY TYPE                     | General Purpose with Socket                                           |
| PACKAGING                      | Bulk                                                                  |
| OTHER NAMES                    | RSRM1/24SPDT                                                          |
| OPERATING TEMPERATURE          | -25°C ~ 40°C                                                          |
| OPERATE TIME                   | 20ms                                                                  |
| MOUNTING TYPE                  | DIN Rail                                                              |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                            |
| FEATURES                       | LED Indicator                                                         |
| DETAILED DESCRIPTION           | General Purpose with Socket Relay SPDT (1 Form C) 24VDC Coil DIN Rail |
| CONTACT RATING (CURRENT)       | 10A                                                                   |
| CONTACT MATERIAL               | Silver Cadmium Oxide (AgCdO)                                          |
| CONTACT FORM                   | SPDT (1 Form C)                                                       |
| COIL VOLTAGE                   | 24VDC                                                                 |
| COIL TYPE                      | Non Latching                                                          |
| COIL RESISTANCE                | 720 Ohms                                                              |
| COIL POWER                     | -                                                                     |
| COIL CURRENT                   | 32.0mA                                                                |
