# Z86C9620VSG

Part Number:

786C9620VSG

Manufacturer/Brand:

Zilga

### Product description

IC MCU 8BIT ROMLESS 68P1 CC

Datasheets:

 Z86C9620VSG.pdf

RoHS Status

✓ Lead free / RoHS Compliant

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

## Specifications of Z86C9620VSG

|                                  |                                                                                                                     |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | Z86C9620VSG                                                                                                         |
| MANUFACTURER                     | Zilog                                                                                                               |
| DESCRIPTION                      | IC MCU 8BIT ROMLESS 68PLCC                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| DATA SHEET                       |  <a href="#">Z86C9620VSG.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                                         |
| SPEED                            | 20MHz                                                                                                               |
| SERIES                           | Z8®                                                                                                                 |
| RAM SIZE                         | 236 x 8                                                                                                             |
| PROGRAM MEMORY TYPE              | ROMless                                                                                                             |
| PROGRAM MEMORY SIZE              | -                                                                                                                   |
| PERIPHERALS                      | -                                                                                                                   |
| PACKAGING                        | Tube                                                                                                                |
| PACKAGE / CASE                   | 68-LCC (J-Lead)                                                                                                     |
| OSCILLATOR TYPE                  | Internal                                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                     |
| NUMBER OF I/O                    | 52                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 14 Weeks                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| EEPROM SIZE                      | -                                                                                                                   |
| DETAILED DESCRIPTION             | Z8 Z8® Microcontroller IC 8-Bit 20MHz ROMless                                                                       |
| DATA CONVERTERS                  | -                                                                                                                   |
| CORE SIZE                        | 8-Bit                                                                                                               |
| CORE PROCESSOR                   | Z8                                                                                                                  |
| CONNECTIVITY                     | EBI/EMI, UART/USART                                                                                                 |
| BASE PART NUMBER                 | Z86C96                                                                                                              |
