| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.1 V ~ 5.5 V                                                            |
| VOLTAGE - INPUT OFFSET (MAX)      | 1mV @ 5V                                                                 |
| TYPE                              | General Purpose                                                          |
| SUPPLIER DEVICE PACKAGE           | SOT-23-8                                                                 |
| SERIES                            | -                                                                        |
| PROPAGATION DELAY (MAX)           | 580ns                                                                    |
| PACKAGING                         | Original-Reel®                                                           |
| PACKAGE / CASE                    | SOT-23-8                                                                 |
| OUTPUT TYPE                       | CMOS, Push-Pull, Rail-to-Rail, TTL                                       |
| OTHER NAMES                       | MAX9077EKA+TDKR                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                             |
| NUMBER OF ELEMENTS                | 2                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| HYSTERESIS                        | -                                                                        |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, Push-Pull, Rail-to-Rail, TTL SOT-23-8   |
| CURRENT - QUIESCENT (MAX)         | 6.6µA                                                                    |
| CURRENT - OUTPUT (TYP)            | -                                                                        |
| CURRENT - INPUT BIAS (MAX)        | 0.005µA @ 5V                                                             |
| CMRR, PSRR (TYP)                  | 82dB CMRR, 77dB PSRR                                                     |
| BASE PART NUMBER                  | MAX9077                                                                  |
