Specifications of MIC58P01BWM

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MIC58P01BWM                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                       |
| DESCRIPTION                      | IC DRVR LATCH 8BIT PAR IN 24SOIC                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| DATA SHEET                       |  MIC58P01BWM.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | -                                                                                                   |
| VOLTAGE - LOAD                   | 15V (Max)                                                                                           |
| SWITCH TYPE                      | Latched Driver                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                             |
| SERIES                           | -                                                                                                   |
| RDS ON (TYP)                     | -                                                                                                   |
| RATIO - INPUT:OUTPUT             | 1:1                                                                                                 |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                                      |
| OUTPUT TYPE                      | Bipolar                                                                                             |
| OUTPUT CONFIGURATION             | Low Side                                                                                            |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                  |
| NUMBER OF OUTPUTS                | 8                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| INTERFACE                        | Strobe, Parallel                                                                                    |
| INPUT TYPE                       | -                                                                                                   |
| FEATURES                         | -                                                                                                   |
| FAULT PROTECTION                 | Over Temperature, UVLO                                                                              |
| CURRENT - OUTPUT (MAX)           | 500mA                                                                                               |
