

Honeywell Sensing and Productivity Solutions

PCUA30M30AV

Part Number:

PCUA30M30AV

Manufacturer/Brand:

Honeywell Sensing and Productivity Solutions

Product description

ULTRASONIC SENSOR 30" 0-5V

Datasheets:

 PCUA30M30AV.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

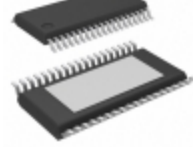

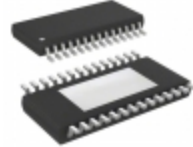

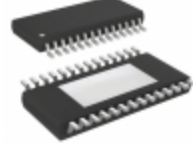

Specifications of PCUA30M30AV

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | PCUA30M30AV                                                                                         |
| MANUFACTURER                     | Honeywell Sensing and Productivity Solutions                                                        |
| DESCRIPTION                      | ULTRASONIC SENSOR 30" 0-5V                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  PCUA30M30AV.pdf |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                                         |
| TERMINATION STYLE                | -                                                                                                   |
| SHIELDING                        | -                                                                                                   |
| SERIES                           | PCUA                                                                                                |
| SENSOR TYPE                      | Ultrasonic                                                                                          |
| SENSING DISTANCE                 | 30" (762mm)                                                                                         |
| RESPONSE FREQUENCY               | -                                                                                                   |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                                                            |
| OUTPUT TYPE                      | Analog Voltage                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 50°C (TA)                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INGRESS PROTECTION               | -                                                                                                   |
| INDICATOR                        | -                                                                                                   |
| DETAILED DESCRIPTION             | Ultrasonic Proximity Sensor 30" (762mm) Cylinder, Threaded - M30                                    |
