| DESCRIPTION                         | IC HOTSWAP CTRLR -48V 28TSSOP                                                                             |
| LEAD FREE STATUS / ROHS STATUS      | Lead free / RoHS Compliant                                                                                |
| DATA SHEET                          |  ADM1075-1ARUZ-RL7.pdf |
| VOLTAGE - SUPPLY                    | -80 V ~ -35 V                                                                                             |
| TYPE                                | Hot Swap Controller, Monitor                                                                              |
| SUPPLIER DEVICE PACKAGE             | 28-TSSOP                                                                                                  |
| SERIES                              | -                                                                                                         |
| PROGRAMMABLE FEATURES               | Circuit Breaker, Current Limit, Fault Timeout, OVP, UVLO                                                  |
| PACKAGING                           | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                      | 28-TSSOP (0.173", 4.40mm Width)                                                                           |
| OTHER NAMES                         | ADM1075-1ARUZ-RL7-ND<br>ADM1075-1ARUZ-RL7TR                                                               |
| OPERATING TEMPERATURE               | -40°C ~ 85°C                                                                                              |
| NUMBER OF CHANNELS                  | 1                                                                                                         |
| MOUNTING TYPE                       | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)    | 3 (168 Hours)                                                                                             |
| MANUFACTURER STANDARD LEAD TIME     | 8 Weeks                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS      | Lead free / RoHS Compliant                                                                                |
| INTERNAL SWITCH(S)                  | No                                                                                                        |
| FEATURES                            | Auto Retry, PMBus                                                                                         |
| FEATURE PINS                        | -                                                                                                         |
| DETAILED DESCRIPTION                | Hot Swap Controller, Monitor 1 Channel -48V 28-TSSOP                                                      |
| CURRENT - SUPPLY                    | 5.5mA                                                                                                     |
| CURRENT - OUTPUT (MAX)              | -                                                                                                         |
| BASE PART NUMBER                    | ADM1075                                                                                                   |
| APPLICATIONS                        | -48V                                                                                                      |
