LTC4266CIUHF#PBF

Part Number:LTC4266CIUHF#PBF

Manufacturer/Brand:ADI (Analog Devices, Inc.)

Product description:IC POE 802.3AF QUAD PSE 38-QFN

Datasheets:[PDF](#) LTC4266CIUHF#PBF.pdf

RoHS Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

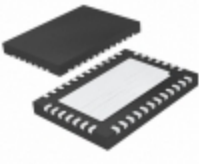

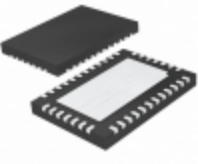

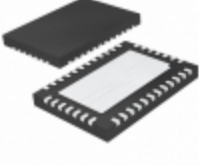

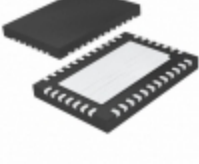

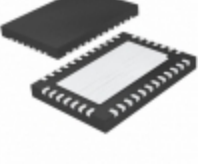

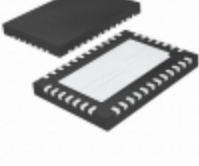

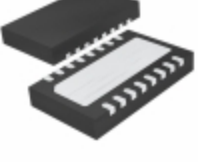

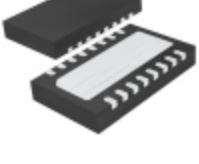

Specifications of LTC4266CIUHF#PBF

|                                  |                                                                                     |
|----------------------------------|-------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC4266CIUHF#PBF                                                                    |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                          |
| DESCRIPTION                      | IC POE 802.3AF QUAD PSE 38-QFN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| DATA SHEET                       | <a href="#">PDF</a> LTC4266CIUHF#PBF.pdf                                            |
| VOLTAGE - SUPPLY                 | 45 V ~ 57 V                                                                         |
| TYPE                             | Controller (PSE)                                                                    |
| SUPPLIER DEVICE PACKAGE          | 38-QFN (5x7)                                                                        |
| STANDARDS                        | 802.3at (PoE+), 802.3af (PoE)                                                       |
| SERIES                           | -                                                                                   |
| POWER - MAX                      | 13W                                                                                 |
| PACKAGING                        | Tube                                                                                |
| PACKAGE / CASE                   | 38-WFQFN Exposed Pad                                                                |
| OTHER NAMES                      | LTC4266CIUHFPBF                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                        |
| NUMBER OF CHANNELS               | 4                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| INTERNAL SWITCH(S)               | No                                                                                  |
| DETAILED DESCRIPTION             | Power Over Ethernet Controller 4 Channel 802.3at (PoE+), 802.3af (PoE) 38-QFN (5x7) |
| CURRENT - SUPPLY                 | 2.4mA                                                                               |
| BASE PART NUMBER                 | LTC4266                                                                             |
| AUXILIARY SENSE                  | No                                                                                  |
