| DESCRIPTION                    | IC REG LINEAR 5V 3A TO220-3                                                     |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                      |
| DATA SHEET                     |                                                                                 |
| VOLTAGE DROPOUT (MAX)          | 6V @ 3A                                                                         |
| VOLTAGE - OUTPUT (MIN/FIXED)   | 5V                                                                              |
| VOLTAGE - OUTPUT (MAX)         | -                                                                               |
| VOLTAGE - INPUT (MAX)          | 9V                                                                              |
| SUPPLIER DEVICE PACKAGE        | TO-220-3                                                                        |
| SERIES                         | -                                                                               |
| PROTECTION FEATURES            | Over Temperature, Reverse Polarity, Short Circuit, Under Voltage Lockout (UVLO) |
| PACKAGING                      | Tube                                                                            |
| PACKAGE / CASE                 | TO-220-3                                                                        |
| PSRR                           | -                                                                               |
| OUTPUT TYPE                    | Fixed                                                                           |
| OUTPUT CONFIGURATION           | Positive                                                                        |
| OTHER NAMES                    | 296-8157-5                                                                      |
| OPERATING TEMPERATURE          | 0°C ~ 70°C                                                                      |
| NUMBER OF REGULATORS           | 1                                                                               |
| MOUNTING TYPE                  | Through Hole                                                                    |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                      |
| DETAILED DESCRIPTION           | Linear Voltage Regulator IC Positive Fixed 1 Output 5V 3A TO-220-3              |
| CURRENT - QUIESCENT (IQ)       | 650μA                                                                           |
| CURRENT - OUTPUT               | 3A                                                                              |
| CONTROL FEATURES               | -                                                                               |
| BASE PART NUMBER               | UCC383-5                                                                        |
