

MAX8804ZETA+T

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| Part Number:        | MAX8804ZETA+T                                                              |
| Manufacturer/Brand: | Maxim Integrated                                                           |
| Product description | IC USB/AC ADP CHARGER 8-TDFN                                               |
| Datasheets:         | <a href="#">1.MAX8804ZETA+T.pdf</a><br><a href="#">2.MAX8804ZETA+T.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                                 |
| Ship From           | Hong Kong                                                                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                      |

| MANUFACTURER                     | Maxim Integrated                                                           |
| DESCRIPTION                      | IC USB/AC ADP CHARGER 8-TDFN                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       | <a href="#">1.MAX8804ZETA+T.pdf</a><br><a href="#">2.MAX8804ZETA+T.pdf</a> |
| VOLTAGE - SUPPLY (MAX)           | 28V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-TDFN (2x3)                                                               |
| SERIES                           | -                                                                          |
| PROGRAMMABLE FEATURES            | -                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 8-WDFDN Exposed Pad                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                          |
| NUMBER OF CELLS                  | 1                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INTERFACE                        | USB                                                                        |
| FAULT PROTECTION                 | Over Voltage                                                               |
| DETAILED DESCRIPTION             | Charger IC Lithium Ion 8-TDFN (2x3)                                        |
| CURRENT - CHARGING               | Constant - Programmable                                                    |
| CHARGE CURRENT - MAX             | 735mA                                                                      |
| BATTERY PACK VOLTAGE             | 4.2V                                                                       |
| BATTERY CHEMISTRY                | Lithium Ion                                                                |
| BASE PART NUMBER                 | MAX8804                                                                    |
