| DATA SHEET                       |  ISL6308IRZ-T.pdf |
| VOLTAGE - OUTPUT                 | 0.6 V ~ 2.3 V                                                                                        |
| VOLTAGE - INPUT                  | 5 V ~ 12 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 40-QFN (6x6)                                                                                         |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF OUTPUTS                | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DETAILED DESCRIPTION             | - Controller, DDR Voltage Regulator IC 1 Output 40-QFN (6x6)                                         |
| BASE PART NUMBER                 | ISL6308                                                                                              |
| APPLICATIONS                     | Controller, DDR                                                                                      |
