|                                  |                                                            |
|----------------------------------|------------------------------------------------------------|
| PART NUMBER                      | ATR4255N-ILSY                                              |
| MANUFACTURER                     | Micrel / Microchip Technology                              |
| DESCRIPTION                      | IC AM/FM RECEIVER 44SSOP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                 |
| DATA SHEET                       |                                                            |
| SUPPLIER DEVICE PACKAGE          | 44-SSO                                                     |
| SERIES                           | -                                                          |
| SECONDARY ATTRIBUTES             | -                                                          |
| RF TYPE                          | Broadcast Radio                                            |
| PACKAGING                        | Tube                                                       |
| PACKAGE / CASE                   | 44-SOP (0.291", 7.40mm Width)                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                 |
| FUNCTION                         | AM/FM Receiver                                             |
| FREQUENCY                        | 70MHz ~ 160MHz                                             |
| DETAILED DESCRIPTION             | RF IC AM/FM Receiver Broadcast Radio 70MHz ~ 160MHz 44-SSO |
