| DESCRIPTION                       | IC COMP DUAL 400MV REF TSOT23-6                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                  |
| DATA SHEET                        |  LT6700HVCS6-2#TRPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.4 V ~ 18 V                                                                                                |
| VOLTAGE - INPUT OFFSET (MAX)      | -                                                                                                           |
| TYPE                              | with Voltage Reference                                                                                      |
| SUPPLIER DEVICE PACKAGE           | TSOT-23-6                                                                                                   |
| SERIES                            | Over-The-Top®                                                                                               |
| PROPAGATION DELAY (MAX)           | 29µs                                                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                    | SOT-23-6 Thin, TSOT-23-6                                                                                    |
| OUTPUT TYPE                       | Open Collector                                                                                              |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                                  |
| NUMBER OF ELEMENTS                | 2                                                                                                           |
| MOUNTING TYPE                     | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                               |
| MANUFACTURER STANDARD LEAD TIME   | 8 Weeks                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                  |
| HYSTERESIS                        | 11mV                                                                                                        |
| DETAILED DESCRIPTION              | Comparator with Voltage Reference Open Collector TSOT-23-6                                                  |
| CURRENT - QUIESCENT (MAX)         | 16µA                                                                                                        |
| CURRENT - OUTPUT (TYP)            | -                                                                                                           |
| CURRENT - INPUT BIAS (MAX)        | 0.01µA @ 18V                                                                                                |
| CMRR, PSRR (TYP)                  | -                                                                                                           |
