

CD4020BE

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | CD4020BE                         |
| Manufacturer/Brand: | N/A                              |
| Product description | IC BINARY COUNTR/DIV RIPL 16-DIP |
| Datasheets:         |                                  |
| RoHs Status         | Lead free / RoHS Compliant       |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

REQUEST FOR QUOTATION

Specifications of CD4020BE

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | CD4020BE                                                         |
| MANUFACTURER                     | N/A                                                              |
| DESCRIPTION                      | IC BINARY COUNTR/DIV RIPL 16-DIP                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       |                                                                  |
| VOLTAGE - SUPPLY                 | 3V ~ 18V                                                         |
| TRIGGER TYPE                     | Negative Edge                                                    |
| TIMING                           | -                                                                |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                          |
| SERIES                           | 4000B                                                            |
| RESET                            | Asynchronous                                                     |
| PACKAGING                        | Tube                                                             |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                          |
| OTHER NAMES                      | 296-2039-5                                                       |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                    |
| NUMBER OF ELEMENTS               | 1                                                                |
| NUMBER OF BITS PER ELEMENT       | 14                                                               |
| MOUNTING TYPE                    | Through Hole                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                          |
| LOGIC TYPE                       | Binary Counter                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DIRECTION                        | Up                                                               |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 14 Bit Negative Edge 16-PDIP |
| COUNT RATE                       | 24MHz                                                            |
| BASE PART NUMBER                 | 4020                                                             |
