Specifications of DS17485-3

|                                  |                                                                                                   |
|----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                      | DS17485-3                                                                                         |
| MANUFACTURER                     | Maxim Integrated                                                                                  |
| DESCRIPTION                      | IC RTC CLK/CALENDAR PAR 24-DIP                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| DATA SHEET                       |  DS17485-3.pdf |
| VOLTAGE - SUPPLY, BATTERY        | 2.5 V ~ 3.7 V                                                                                     |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.7 V                                                                                     |
| TYPE                             | Clock/Calendar                                                                                    |
| TIME FORMAT                      | HH:MM:SS (12/24 hr)                                                                               |
| SUPPLIER DEVICE PACKAGE          | 24-PDIP                                                                                           |
| SERIES                           | -                                                                                                 |
| PACKAGING                        | Tube                                                                                              |
| PACKAGE / CASE                   | 24-DIP (0.600", 15.24mm)                                                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                        |
| MOUNTING TYPE                    | Through Hole                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| MEMORY SIZE                      | 4KB                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| INTERFACE                        | Parallel                                                                                          |
| FEATURES                         | Alarm, Daylight Savings, Leap Year, NVSRAM, Square Wave Output                                    |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 4KB Parallel 24-DIP (0.600", 15.24mm)                     |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                       |
| CURRENT - TIMEKEEPING (MAX)      | 2mA @ 2.7V ~ 3.7V                                                                                 |
| BASE PART NUMBER                 | DS17485                                                                                           |
