

BR25L080F-WE2

|                     |                                                                                                                     |
|---------------------|---------------------------------------------------------------------------------------------------------------------|
| Part Number:        | BR25L080F-WE2                                                                                                       |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                                 |
| Product description | IC EEPROM 8K SPI 5MHZ 8SOP                                                                                          |
| Datasheets:         |  <a href="#">BR25L080F-WE2.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant        |
| Ship From           | Hong Kong                                                                                                           |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                               |

REQUEST FOR QUOTATION

Specifications of BR25L080F-WE2

|                                  |                                                                                                                       |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | BR25L080F-WE2                                                                                                         |
| MANUFACTURER                     | LAPIS Semiconductor                                                                                                   |
| DESCRIPTION                      | IC EEPROM 8K SPI 5MHZ 8SOP                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DATA SHEET                       |  <a href="#">BR25L080F-WE2.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                                   |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 5.5 V                                                                                                         |
| TECHNOLOGY                       | EEPROM                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-SOP                                                                                                                 |
| SERIES                           | -                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                   | 8-SOIC (0.173", 4.40mm Width)                                                                                         |
| OTHER NAMES                      | BR25L080F-WE2-ND<br>BR25L080F-WE2TR<br>BR25L080FWE2                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| MEMORY TYPE                      | Non-Volatile                                                                                                          |
| MEMORY SIZE                      | 8Kb (1K x 8)                                                                                                          |
| MEMORY INTERFACE                 | SPI                                                                                                                   |
| MEMORY FORMAT                    | EEPROM                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DETAILED DESCRIPTION             | EEPROM Memory IC 8Kb (1K x 8) SPI 5MHz 8-SOP                                                                          |
| CLOCK FREQUENCY                  | 5MHz                                                                                                                  |
| BASE PART NUMBER                 | BR25L080                                                                                                              |
