| DATA SHEET                        |  TS925IN.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 12 V                                                                                    |
| VOLTAGE - INPUT OFFSET            | 3mV                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 16-DIP                                                                                          |
| SLEW RATE                         | 1.3 V/μs                                                                                        |
| SERIES                            | -                                                                                               |
| PACKAGING                         | Tube                                                                                            |
| PACKAGE / CASE                    | 16-DIP (0.300", 7.62mm)                                                                         |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                    |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                   |
| NUMBER OF CIRCUITS                | 4                                                                                               |
| MOUNTING TYPE                     | Through Hole                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                      |
| GAIN BANDWIDTH PRODUCT            | 4MHz                                                                                            |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 16-DIP                                         |
| CURRENT - SUPPLY                  | 6mA                                                                                             |
| CURRENT - OUTPUT / CHANNEL        | 80mA                                                                                            |
| CURRENT - INPUT BIAS              | 15nA                                                                                            |
