

MAX9932EUA+T

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | MAX9932EUA+T                   |
| Manufacturer/Brand: | Maxim Integrated               |
| Product description | IC RF DETECT 2MHZ-1.6GHZ 8UMAX |
| Datasheets:         | MAX9932EUA+T.pdf               |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of MAX9932EUA+T

|                                  |                                                                                                                         |

| PART NUMBER                      | MAX9932EUA+T                                                                                                            |
| MANUFACTURER                     | Maxim Integrated                                                                                                        |
| DESCRIPTION                      | IC RF DETECT 2MHZ-1.6GHZ 8UMAX                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| DATA SHEET                       | MAX9932EUA+T.pdf                                                                                                        |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.25 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                                                                  |
| SERIES                           | -                                                                                                                       |
| RF TYPE                          | Cellular, TDMA, CDMA, GPRS, GSM                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INPUT RANGE                      | -30dBm ~ 15dBm                                                                                                          |
| FREQUENCY                        | 2MHz ~ 1.6GHz                                                                                                           |
| DETAILED DESCRIPTION             | RF Detector IC Cellular, TDMA, CDMA, GPRS, GSM 2MHz ~ 1.6GHz -30dBm ~ 15dBm ±1dB 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) |
| CURRENT - SUPPLY                 | 12mA                                                                                                                    |
| ACCURACY                         | ±1dB                                                                                                                    |
