| DATA SHEET                      | <a href="#">1.XT374LB2.pdf</a><br><a href="#">2.XT374LB2.pdf</a> |
| TURN ON VOLTAGE (MAX)           | 8.4 VDC                                                          |
| TURN OFF VOLTAGE (MIN)          | 1.2 VDC                                                          |
| TERMINATION STYLE               | Plug In                                                          |
| SWITCHING VOLTAGE               | 400VAC - Max                                                     |
| SERIES                          | XT, SCHRACK                                                      |
| RELEASE TIME                    | 6ms                                                              |
| RELAY TYPE                      | General Purpose                                                  |
| PACKAGING                       | Tube                                                             |
| OTHER NAMES                     | 1887112-3<br>PB1187                                              |
| OPERATING TEMPERATURE           | -40°C ~ 70°C                                                     |
| OPERATE TIME                    | 9ms                                                              |
| MOUNTING TYPE                   | Socketable                                                       |
| MANUFACTURER STANDARD LEAD TIME | 15 Weeks                                                         |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                       |
| FEATURES                        | Diode, LED Indicator                                             |
| DETAILED DESCRIPTION            | General Purpose Relay SPDT (1 Form C) 12VDC Coil Socketable      |
| CONTACT RATING (CURRENT)        | 16A                                                              |
| CONTACT MATERIAL                | Silver Nickel (AgNi)                                             |
| CONTACT FORM                    | SPDT (1 Form C)                                                  |
| COIL VOLTAGE                    | 12VDC                                                            |
| COIL TYPE                       | Non Latching                                                     |
| COIL RESISTANCE                 | 360 Ohms                                                         |
| COIL POWER                      | 400 mW                                                           |
| COIL CURRENT                    | 33.3mA                                                           |
