MC34905CS5EKR2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC34905CS5EKR2                                                                                               |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC SBC HIGH SPEED CAN 5V 32SOIC                                                                              |
| Datasheets:         |  MC34905CS5EKR2.pdf         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | IC SBC HIGH SPEED CAN 5V 32SOIC                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  MC34905CS5EKR2.pdf |
| VOLTAGE - SUPPLY                 | 5.5 V ~ 28 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 32-SOIC                                                                                                |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 32-BSSOP (0.295", 7.50mm Width) Exposed Pad                                                            |
| OTHER NAMES                      | 935315202518                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | System Basis Chip PMIC 32-SOIC                                                                         |
| CURRENT - SUPPLY                 | 2mA                                                                                                    |
| APPLICATIONS                     | System Basis Chip                                                                                      |
