EDF8132A3MA-JD-F-D

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | EDF8132A3MA-JD-F-D                                                                                           |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC DRAM 8G PARALLEL 933MHZ FBGA                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of EDF8132A3MA-JD-F-D

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | EDF8132A3MA-JD-F-D                                              |
| MANUFACTURER                     | Micron Technology                                               |
| DESCRIPTION                      | IC DRAM 8G PARALLEL 933MHZ FBGA                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       |                                                                 |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                               |
| VOLTAGE - SUPPLY                 | 1.14 V ~ 1.95 V                                                 |
| TECHNOLOGY                       | SDRAM - Mobile LPDDR3                                           |
| SERIES                           | -                                                               |
| OPERATING TEMPERATURE            | -30°C ~ 85°C (TC)                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                   |
| MEMORY TYPE                      | Volatile                                                        |
| MEMORY SIZE                      | 8Gb (256M x 32)                                                 |
| MEMORY INTERFACE                 | Parallel                                                        |
| MEMORY FORMAT                    | DRAM                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DETAILED DESCRIPTION             | SDRAM - Mobile LPDDR3 Memory IC 8Gb (256M x 32) Parallel 933MHz |
| CLOCK FREQUENCY                  | 933MHz                                                          |
