| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                                             |
| DESCRIPTION                      | SECURE AUTHENTICATION                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DATA SHEET                       |  <a href="#">A7102CHTK2/T0BC2AJ.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 3.6 V                                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 8-HVSON (4x4)                                                                                                              |
| SERIES                           | -                                                                                                                          |
| RAM SIZE                         | -                                                                                                                          |
| PROGRAM MEMORY TYPE              | -                                                                                                                          |
| PACKAGING                        | Cut Tape (CT)                                                                                                              |
| PACKAGE / CASE                   | 8-VDFN Exposed Pad                                                                                                         |
| OTHER NAMES                      | 568-14066-1                                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 90°C (TA)                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| INTERFACE                        | I <sup>2</sup> C                                                                                                           |
| CORE PROCESSOR                   | MX51                                                                                                                       |
| CONTROLLER SERIES                | -                                                                                                                          |
| APPLICATIONS                     | Authentication                                                                                                             |
