|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MPC8347ECVVAJFB                                                                                              |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC MPU MPC83XX 533MHZ 672TBGA                                                                                |
| Datasheets:         |  MPC8347ECVVAJFB.pdf        |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                          |
| DESCRIPTION                      | IC MPU MPC83XX 533MHZ 672TBGA                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  MPC8347ECVVAJFB.pdf |
| VOLTAGE - I/O                    | 2.5V, 3.3V                                                                                              |
| USB                              | USB 2.0 + PHY (2)                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 672-TBGA (35x35)                                                                                        |
| SPEED                            | 533MHz                                                                                                  |
| SERIES                           | MPC83xx                                                                                                 |
| SECURITY FEATURES                | Cryptography, Random Number Generator                                                                   |
| SATA                             | -                                                                                                       |
| RAM CONTROLLERS                  | DDR                                                                                                     |
| PACKAGING                        | Tray                                                                                                    |
| PACKAGE / CASE                   | 672-LBGA                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                      |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| GRAPHICS ACCELERATION            | No                                                                                                      |
| ETHERNET                         | 10/100/1000 Mbps (2)                                                                                    |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                                                       |
| DETAILED DESCRIPTION             | PowerPC e300 Microprocessor IC MPC83xx 1 Core, 32-Bit 533MHz 672-TBGA (35x35)                           |
| CORE PROCESSOR                   | PowerPC e300                                                                                            |
| CO-PROCESSORS/DSP                | Security; SEC                                                                                           |
| BASE PART NUMBER                 | MPC8347                                                                                                 |
| ADDITIONAL INTERFACES            | DUART, I <sup>2</sup> C, PCI, SPI                                                                       |
