| DESCRIPTION                      | IC CNIC CIDCW CWD CID 20SOIC                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  MT88E46AS1.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                            |
| SERIES                           | -                                                                                                  |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                       |
| NUMBER OF CIRCUITS               | 1                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INTERFACE                        | 3-Wire                                                                                             |
| INCLUDES                         | -                                                                                                  |
| FUNCTION                         | Telecom Circuit                                                                                    |
| DETAILED DESCRIPTION             | Telecom IC Telecom Circuit 20-SOIC                                                                 |
| CURRENT - SUPPLY                 | 4.3mA                                                                                              |
