

U.S. Sensor

Part Number: DC502J2K

Manufacturer/Brand: U.S. Sensor

Product description: THERMISTOR NTC 5KOHM 3892K BEAD

[1.DC502J2K.pdf](#)

[2.DC502J2K.pdf](#)

Lead free / RoHS Compliant

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of DC502J2K

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | DC502J2K                                                         |
| MANUFACTURER                     | U.S. Sensor                                                      |
| DESCRIPTION                      | THERMISTOR NTC 5KOHM 3892K BEAD                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       | <a href="#">1.DC502J2K.pdf</a><br><a href="#">2.DC502J2K.pdf</a> |
| SERIES                           | DC                                                               |
| RESISTANCE IN OHMS @ 25°C        | 5k                                                               |
| RESISTANCE TOLERANCE             | ±10%                                                             |
| PACKAGING                        | Bulk                                                             |
| PACKAGE / CASE                   | Bead, Epoxy                                                      |
| OPERATING TEMPERATURE            | 150°C                                                            |
| MOUNTING TYPE                    | Free Hanging                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| LENGTH - LEAD WIRE               | 1.00" (25.40mm)                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DETAILED DESCRIPTION             | NTC Thermistor 5k Bead, Epoxy                                    |
| B25/85                           | -                                                                |
| B25/75                           | -                                                                |
| B25/50                           | -                                                                |
| B25/100                          | -                                                                |
| B0/50                            | 3892K                                                            |
| B VALUE TOLERANCE                | -                                                                |
