| MANUFACTURER                      | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                       | IC COMP DUAL OFFSET LV 8SOIC                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                        |  LM2903DR2G.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 36 V, ±1 V ~ 18 V                                                                            |
| VOLTAGE - INPUT OFFSET (MAX)      | 7mV @ 30V                                                                                          |
| TYPE                              | General Purpose                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                             |
| SERIES                            | -                                                                                                  |
| PROPAGATION DELAY (MAX)           | -                                                                                                  |
| PACKAGING                         | Tape & Reel (TR)                                                                                   |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                      |
| OUTPUT TYPE                       | CMOS, DTL, ECL, MOS, Open-Collector, TTL                                                           |
| OTHER NAMES                       | LM2903DR2GOSTR                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 105°C                                                                                      |
| NUMBER OF ELEMENTS                | 2                                                                                                  |
| MOUNTING TYPE                     | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                      |
| MANUFACTURER STANDARD LEAD TIME   | 26 Weeks                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                         |
| HYSTERESIS                        | -                                                                                                  |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, DTL, ECL, MOS, Open-Collector, TTL 8-SOIC                         |
| CURRENT - QUIESCENT (MAX)         | 2.5mA                                                                                              |
| CURRENT - OUTPUT (TYP)            | 16mA @ 5V                                                                                          |
| CURRENT - INPUT BIAS (MAX)        | 0.25µA @ 5V                                                                                        |
| CMRR, PSRR (TYP)                  | -                                                                                                  |
| BASE PART NUMBER                  | LM2903                                                                                             |
