| DATA SHEET                       |  <a href="#">MX7528JCWP-T.pdf</a> |
| VOLTAGE - SUPPLY, DIGITAL        | 5 V ~ 15 V                                                                                                           |
| VOLTAGE - SUPPLY, ANALOG         | 5 V ~ 15 V                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                                              |
| SETTLING TIME                    | 400ns                                                                                                                |
| SERIES                           | -                                                                                                                    |
| REFERENCE TYPE                   | External                                                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                                       |
| OUTPUT TYPE                      | Current - Unbuffered                                                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                           |
| NUMBER OF D/A CONVERTERS         | 2                                                                                                                    |
| NUMBER OF BITS                   | 8                                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                   |
| INL/DNL (LSB)                    | ±1 (Max), ±1 (Max)                                                                                                   |
| DIFFERENTIAL OUTPUT              | No                                                                                                                   |
| DETAILED DESCRIPTION             | 8 Bit Digital to Analog Converter 2 20-SOIC                                                                          |
| DATA INTERFACE                   | Parallel                                                                                                             |
