|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | ASC8851AETK                                                    |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                 |
| DESCRIPTION                      | IC VIDEO PROCESSOR ADV 484TFBGA                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY                 | -                                                              |
| SUPPLIER DEVICE PACKAGE          | 484-TFBGA (15x15)                                              |
| SERIES                           | -                                                              |
| RAM SIZE                         | -                                                              |
| PROGRAM MEMORY TYPE              | -                                                              |
| PACKAGING                        | Tray                                                           |
| PACKAGE / CASE                   | 484-TFBGA                                                      |
| OTHER NAMES                      | 935298233557                                                   |
| OPERATING TEMPERATURE            | -                                                              |
| MOUNTING TYPE                    | Surface Mount                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| INTERFACE                        | EBI/EMI, Ethernet, I²S, IrDA, SD/MMC, SPI, UART/USART, USB OTG |
| CORE PROCESSOR                   | ARM9®                                                          |
| CONTROLLER SERIES                | -                                                              |
| BASE PART NUMBER                 | ASC8851                                                        |
| APPLICATIONS                     | Embedded Multimedia Communication, Security and Entertainment  |
