| DESCRIPTION                      | IC MCU 8BIT 64KB FLASH 100TQFP                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| DATA SHEET                       |  C8051F020.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 3.6 V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                                  |
| SPEED                            | 25MHz                                                                                             |
| SERIES                           | C8051F02x                                                                                         |
| RAM SIZE                         | 4.25K x 8                                                                                         |
| PROGRAM MEMORY TYPE              | FLASH                                                                                             |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                                    |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, Temp Sensor, WDT                                                |
| PACKAGING                        | Tray                                                                                              |
| PACKAGE / CASE                   | 100-TQFP                                                                                          |
| OSCILLATOR TYPE                  | Internal                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                 |
| NUMBER OF I/O                    | 64                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| EEPROM SIZE                      | -                                                                                                 |
| DETAILED DESCRIPTION             | 8051 C8051F02x Microcontroller IC 8-Bit 25MHz 64KB (64K x 8) FLASH 100-TQFP (14x14)               |
| DATA CONVERTERS                  | A/D 8x8b, 8x12b; D/A 2x12b                                                                        |
| CORE SIZE                        | 8-Bit                                                                                             |
| CORE PROCESSOR                   | 8051                                                                                              |
| CONNECTIVITY                     | EBI/EMI, SMBus (2-Wire/I²C), SPI, UART/USART                                                      |
| BASE PART NUMBER                 | C8051F02                                                                                          |
