

Microsemi

LE7942B-1DJC

Part Number: LE7942B-1DJC

Manufacturer/Brand: Microsemi

Product description: IC SLIC 1CH P RV 32PLCC

Datasheets:  LE7942B-1DJC.pdf

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of LE7942B-1DJC

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LE7942B-1DJC                                                                                         |
| MANUFACTURER                     | Microsemi                                                                                            |
| DESCRIPTION                      | IC SLIC 1CH P RV 32PLCC                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  LE7942B-1DJC.pdf |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-PLCC (11.43x13.97)                                                                                |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 32-LCC (J-Lead)                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                           |
| NUMBER OF CIRCUITS               | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INTERFACE                        | 2-Wire                                                                                               |
| INCLUDES                         | -                                                                                                    |
| FUNCTION                         | Subscriber Line Interface Concept (SLIC)                                                             |
| DETAILED DESCRIPTION             | Telecom IC Subscriber Line Interface Concept (SLIC) 32-PLCC (11.43x13.97)                            |
| CURRENT - SUPPLY                 | -                                                                                                    |
