| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 5.5 V                                                            |
| SUPPLIER DEVICE PACKAGE           | 8-uMAX                                                                   |
| SLEW RATE                         | 115 V/μs                                                                 |
| SERIES                            | -                                                                        |
| PACKAGING                         | Tube                                                                     |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                   |
| OUTPUT TYPE                       | Rail-to-Rail                                                             |
| NUMBER OF CIRCUITS                | 2                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| DETAILED DESCRIPTION              | Video Amp, 2 General Purpose 8-uMAX                                      |
| CURRENT - SUPPLY                  | 12mA                                                                     |
| CURRENT - OUTPUT / CHANNEL        | 100mA                                                                    |
| BASE PART NUMBER                  | MAX4030                                                                  |
| APPLICATIONS                      | General Purpose                                                          |
| -3DB BANDWIDTH                    | 144MHz                                                                   |
