|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | DP1205C915LF                                                                                                 |
| Manufacturer/Brand: | Semtech                                                                                                      |
| Product description | RF TXRX MODULE ISM<1GHZ                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of DP1205C915LF

|                                  |                            |
|----------------------------------|----------------------------|
| PART NUMBER                      | DP1205C915LF               |
| MANUFACTURER                     | Semtech                    |
| DESCRIPTION                      | RF TXRX MODULE ISM<1GHZ    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| DATA SHEET                       |                            |
| VOLTAGE - SUPPLY                 | 2.4 V ~ 3.6 V              |
| UTILIZED IC / PART               | XE1205                     |
| SERIES                           | -                          |
| SERIAL INTERFACES                | SPI                        |
| SENSITIVITY                      | -118dBm                    |
| RF FAMILY/STANDARD               | General ISM < 1GHz         |
| PROTOCOL                         | -                          |
| POWER - OUTPUT                   | 15dBm                      |
| PACKAGING                        | Bulk                       |
| PACKAGE / CASE                   | Module                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C               |
| MOUNTING TYPE                    | Surface Mount              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)              |
| MODULATION                       | -                          |
| MEMORY SIZE                      | -                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant |
| FREQUENCY                        | 915MHz                     |
| DATA RATE                        | 152.3kbps                  |
| CURRENT - TRANSMITTING           | 33mA ~ 62mA                |
| CURRENT - RECEIVING              | 14mA                       |
| ANTENNA TYPE                     | Not Included               |
