|--------------------------------|-----------------------------------------------------------------------------------------------------------|
| PART NUMBER                    | LT3467EDDB                                                                                                |
| MANUFACTURER                   | ADI (Analog Devices, Inc.)                                                                                |
| DESCRIPTION                    | IC REGULATOR                                                                                              |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                                                        |
| DATA SHEET                     |  LT3467EDDB.pdf        |
| VOLTAGE - OUTPUT (MIN/FIXED)   | 1.255V                                                                                                    |
| VOLTAGE - OUTPUT (MAX)         | 40V                                                                                                       |
| VOLTAGE - INPUT (MIN)          | 2.4V                                                                                                      |
| VOLTAGE - INPUT (MAX)          | 16V                                                                                                       |
| TOPOLOGY                       | Boost, Flyback, SEPIC                                                                                     |
| SYNCHRONOUS RECTIFIER          | No                                                                                                        |
| SUPPLIER DEVICE PACKAGE        | 8-DFN (3x2)                                                                                               |
| SERIES                         | -                                                                                                         |
| PACKAGING                      | Tube                                                                                                      |
| PACKAGE / CASE                 | 8-WFDFN Exposed Pad                                                                                       |
| OUTPUT TYPE                    | Adjustable                                                                                                |
| OUTPUT CONFIGURATION           | Positive                                                                                                  |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TJ)                                                                                         |
| NUMBER OF OUTPUTS              | 1                                                                                                         |
| MOUNTING TYPE                  | Surface Mount                                                                                             |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                                                                        |
| FUNCTION                       | Step-Up, Step-Up/Step-Down                                                                                |
| FREQUENCY - SWITCHING          | 1.3MHz                                                                                                    |
| DETAILED DESCRIPTION           | Boost, Flyback, SEPIC Switching Regulator IC Positive Adjustable 1.255V 1 Output 1.1A 8-WFDFN Exposed Pad |
| CURRENT - OUTPUT               | 1.1A                                                                                                      |
