## W83195BG-102

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | W83195BG-102                                                                                                 |
| Manufacturer/Brand: | Nuvoton Technology Corporation America                                                                       |
| Product description | IC CLOCK GENERATOR 56-SSOP                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

### Specifications of W83195BG-102

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| PART NUMBER                      | W83195BG-102                                                 |
| MANUFACTURER                     | Nuvoton Technology Corporation America                       |
| DESCRIPTION                      | IC CLOCK GENERATOR 56-SSOP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DATA SHEET                       |                                                              |
| VOLTAGE - SUPPLY                 | -                                                            |
| SUPPLIER DEVICE PACKAGE          | 56-SSOP                                                      |
| SERIES                           | -                                                            |
| RATIO - INPUT:OUTPUT             | -                                                            |
| PACKAGING                        | Tube                                                         |
| PACKAGE / CASE                   | 56-BSSOP (0.295", 7.50mm Width)                              |
| PLL                              | No                                                           |
| OUTPUT                           | -                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                   |
| MOUNTING TYPE                    | Surface Mount                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                |
| MAIN PURPOSE                     | -                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| INPUT                            | -                                                            |
| FREQUENCY - MAX                  | -                                                            |
| DIFFERENTIAL - INPUT:OUTPUT      | -                                                            |
| DETAILED DESCRIPTION             | Clock/Frequency Generator IC 56-BSSOP (0.295", 7.50mm Width) |
