

CD4022BE

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | CD4022BE                      |
| Manufacturer/Brand: | N/A                           |
| Product description | IC COUNTER/DIVIDER OCT 16-DIP |
| Datasheets:         |                               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of CD4022BE

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | CD4022BE                                                        |
| MANUFACTURER                     | N/A                                                             |
| DESCRIPTION                      | IC COUNTER/DIVIDER OCT 16-DIP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 3V ~ 18V                                                        |
| TRIGGER TYPE                     | Positive Edge                                                   |
| TIMING                           | -                                                               |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                         |
| SERIES                           | 4000B                                                           |
| RESET                            | Asynchronous                                                    |
| PACKAGING                        | Tube                                                            |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                         |
| OTHER NAMES                      | 296-2161-5                                                      |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                   |
| NUMBER OF ELEMENTS               | 1                                                               |
| NUMBER OF BITS PER ELEMENT       | 4                                                               |
| MOUNTING TYPE                    | Through Hole                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                         |
| LOGIC TYPE                       | Binary Counter                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DIRECTION                        | Up                                                              |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 4 Bit Positive Edge 16-PDIP |
| COUNT RATE                       | 6MHz                                                            |
| BASE PART NUMBER                 | 4022                                                            |
